Not sure how to go about planning for Youth Art Month®? We can help!

Getting started early is key— September is a great time to begin planning out your activities for the school year.

Check in regularly with your state chairperson to make sure your local activities and events are on track with planned state activities.

**FLAG/BANNER DESIGN CONTEST**

- Establish goals — target at least 1 entry from every school in the state
- Plan and communicate lesson plan and theme “Take a Journey through Art”
- Encourage teachers to provide classroom time for students to each create a flag design using the Flag Design Template
- Receive flag entries — select winners. Start with school winners, then work up to district, region, county, etc.; can also forward entries to state chairperson who coordinates voting to select one overall state winner
- Create a 3’x 5’ flag/banner using the winning flag artwork
- Feature the flag/banner at state art exhibitions for Youth Art Month
- Submit the flag/banner by February 1, 2020 to CFAE for the Youth Art Month Museum at NAEA
- See flag/banner on display in the Youth Art Month Museum at NAEA
- Return flag/banner to designer
