## YOUTH ART MONTH FLAG DESIGN PRESS RELEASE- FOR IMMEDIATE RELEASE

(INSERT SCHOOL NAME HERE) School student has Youth Art Month flag design selected to represent North Carolina 2022

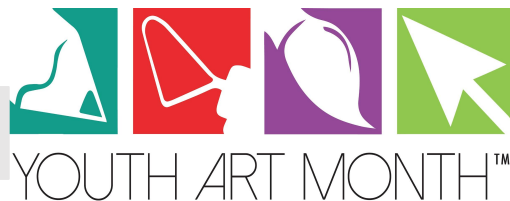

The North Carolina Art Educators Association had a very successful 2022 Youth Art Month Flag Design Contest, receiving many submissions that represented 7 counties, 15 schools, and hundreds of students from across North Carolina.

### The results are in!

(INSERT SCHOOL NAME HERE) School student (INSERT STUDENT NAME HERE) 's Youth Art Month flag design was selected to represent the state of North Carolina at the National Art Education conference in New York, NY in March (Youth Art Month) of 2022. The annual competition seeks a design combining imagery representing the great state of North Carolina, visual art, the Youth Art Month logo and the current theme: Art Connects Us. The piece, submitted by art teacher (INSERT TEACHER'S NAME HERE), was selected from hundreds of submissions.

This Fall, the design will also be on display for the North Carolina Art Educators Association annual conference to be held in Wilmington. A winner was chosen for each level: Elementary, Middle, High, with a grand prize winner chosen from all submissions. Each winner and their teacher were awarded a prize package from Sargent Art.

**Thank You** to the students and teachers who participated in this year's YAM Flag Design Contest! **Be sure to include the Art Contest in next year's FALL lesson plans!**

Recently, Mrs. Paschal's seventh-grade social studies students learned about Michelangelo and the Sistine Chapel. Students were surprised that it took Michelangelo four years to complete his work and how difficult it was for him to paint with his 'canvas' (the ceiling) above him, not in front of him. After their discussion students tried to "Paint Like Mike." They moved under their desks and attempted to draw with the bottom of their desks being their ceiling. Students quickly realized that this was no easy task! Shoutout to Mrs. Paschal for her engaging lesson and connection to the arts! #youthartmonth #crosscurricularlearning #michelangelo #sistinechapel #gognzzies #grizzlypride #GrizzlyLife

SCS Students Artwork On Display

Several pieces of artwork from Scotland County Schools students were on display at the Storytelling and Arts Center and the A.B. Gibson Center, Main Street display window. The artwork was part of the Art Festival held during the 2022 Springfest, sponsored by the Laurinburg/Scotland County Area Chamber of Commerce, on April 29<sup>th</sup> and 30<sup>th</sup>. The collaboration of art teachers, students, and the Arts Council working diligently to offer an impressive display aligns with a goal of the SCS Five-Year Strategic Plan to "Create strong relationships and partnerships with local and regional communities that yield mutually beneficial results."

Here are some of the finished clay masks my 4th and 5th graders have created. I am so proud of them! I see symbolism really starting to be used in their artwork. We have been talking about using symbolism and culture to help express our feelings and who we are. They are also beginning to see how cultures have impacted the things they like... like video games. #AMMPTeam #artseducationmatters #YouthArtMonth

"What makes your heART SOAR?"

In honor of Youth Art Month, Mrs. Kozuch created a community art mural with over 100 student artists. Each feather represents students' passions and inspirations which "lift" them. "Our hope is that students, staff and visitors will snap a picture in front of the wings and share our work with the world!"

Stop by PSJ to snap a pic with this one of a kind art mural and post with the tags #PSJDemonsSOAR and #YouthArtMonth so we can spread the love!

We hope this mural brings a smile to your face and acts as a daily reminder that the sky's the limit!

Since 1968, Youth Art Month has been celebrated each March to "emphasize the value of participating in art for all children."

Our celebrations each year look different, but can include:

- display of student art in art museums, libraries, and other places throughout the school & community;
- partnerships with local media to raise the profile of youth art and art education in the community;
- March Madness bulletin board that includes artists and their works;
- and thousands of other ways to show our passion for art!

This March, we ask: what will YOU do to help emphasize the value of arts for all children in North Carolina? One thing that we can all do to help garner excitement is to promote and participate in the NC YAM Spirit Week. How will you, your students, and your school celebrate those themes? Show us! Use #ncYAM2022 #YAM #YouthArtMonth when you post to social media.

As you plan and execute YAM activities, please document them [here](#). At the end of the year, a YAM Scrapbook showing what the great state of North Carolina has accomplished throughout the year will be compiled. From this, a YAM Teacher of the Year will be chosen- it could be you!

As part of our ongoing efforts in Art Advocacy, we ask that you share [this letter](#) with your local Mayor, Senate/House Representatives, Superintendents, and most importantly, your art teachers! Art teachers may not be able to sign Proclamations but we sure can add endorsements (linked in the letter).

Remember, Youth Art Month is recognized in March, but we can celebrate any time of the year!

## Youth Art Month Promotions

## PROCLAMATION RECOGNIZING MARCH 2022 AS ARTS EDUCATION MONTH

Whereas, Clinton City Schools recognizes the arts, defined as visual arts, dance, music, and theatre – as distinct disciplines, each with its own body of knowledge and skills, as an important element of educating the whole child; and

Whereas, the arts have been part of life from the very beginning and are an inseparable part of the human experience; and

Whereas, all students who participate in arts education develop critical thinking and creative problem-solving skills, imagination and creativity, alternative ways to communicate and express feelings and ideas, and cross-cultural understanding, which supports academic success across the curriculum as well as personal growth outside of the classroom regardless of a student's intended career path; and

Whereas, Arts Education engages learners, ignites passions for learning, and enhances the school cultures by helping develop self-confidence, boost self reliance, and increase empathy and compassion towards oneself and others, thus supporting social-emotional learning; and

Whereas, Arts Education is essential for all students in Clinton City Schools as part of a well-rounded education; the arts can transform our schools into safe harbors of creativity and exploration – environments where students want to learn, teachers want to teach, and all members of the learning community are more engaged and inspired;

Now, therefore, be it resolved that the Superintendent does hereby proclaim that March will be Arts Education Month and urges all citizens to join in this special observance.

- Used Google Forms for both submission from teacher; most submitted through online form, some are submitted via email due to some counties not allowing teachers to submit form online
- New communication tools via social media and Canva posters
- Increased number of exhibits and participation in State Yam Exhibit and submissions to Flag and State Artwork Program Contests
- Changes in media/marketing-Visually interesting flyers and email blasts to all Association Members
- All entry forms are online and can be found on the new NCAEA website, and Facebook
- Certificates were emailed to students for photo ops
- Encouraged Facebook, Instagram, and Twitter users to use hashtags to share how their school celebrated Youth Art Month
- Division awards were chosen and provided prize packages directly to the student and teachers by Sargent Art (new sponsorship- I am unaware of a previous sponsorship)
- New YAM Chair- now I have a year under my belt so I can keep making adjustments for the future!

Improvements from 2021 to 2022

- Instituting a YAM Teacher of the Year to help promote involvement; grant a scholarship to NCAEA's Conference
- Start up a YAM Redbubble account for Flag promotion and Fundraising endeavors; t-shirts & other items
- Change the due date of the flag designs to coincide with NCAEA Conference; award door prizes for entries
- Increase Superintendent awareness and ask all to endorse
- Advertize the General Assembly Show for more student entries; use Redbubble funds to offer art prizes/ask Sargent Art to donate prize packages
- Organize a teacher/student show in each Region with a college/university
- Utilize local arts councils to provide PD during March

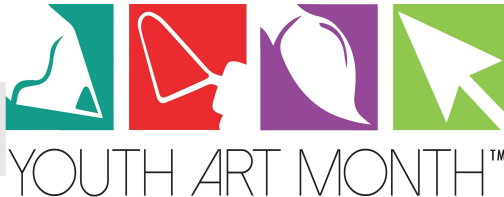

- Begin a working relationship with the Governor to establish a YAM exhibit/ Governor's Choice Award
- Continue to work with NCDPI to promote the arts and provide opportunities; change the month from May to March to coincide with YAM and avoid scheduling conflicts with state testing

Save the Date!

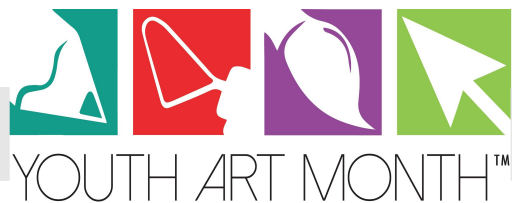

This calendar update of ARTS Day does not comply with the May 1st and 2nd and 10th 2022 legislative session dates. This calendar is for informational purposes only. The calendar is subject to change in the future. Please contact your legislator for more information. Through legislative meetings may occur the legislature may be in session for a longer period of time than shown in this calendar.

- Open Flag Design contest to non-members for a fee to help raise scholarship funds
- Begin a Tik Tok page to promote student art
- Promote YAM at our Fall Conference with a Booth to: introduce the Flag design contest; help people to become familiar with the YAM "Scrapbook" form
- Provide a rasterbated poster for each teacher to promote YAM (students can color; mARTch madness, etc)
